CERTIFIED STATEMENT OF HEIGHT (for puppies/dogs 9 months of age and older)

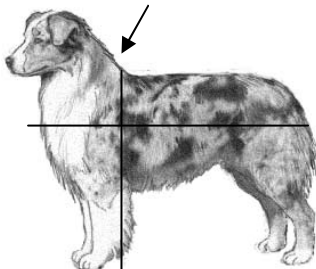

I (we) certify that all I have personally measured the height of this dog using the method as described below, and that this dog measures under 14 inches at the withers, as required by the TASAA Breed Standard.

*Signature of Individual
providing measurement:* _____

Date: _____

Printed Name: _____

Title: _____

How to properly measure your dog's height:

With the dog standing on a flat surface, height is determined by measuring a line perpendicular to the ground from the top of the shoulder blades, the dog standing naturally, with forelegs parallel to line of measurement. Dog should be in standing in a square stance, with forelegs under the dog and rear legs in a show stack position. *Measurement is not taken over the dogs back.*

I (we) certify that the information provided in this application, including attached pedigree, is correct, to the best of my (our) knowledge. I (we) understand that all applications become the property of TASAA. If an application is falsified or denied, points will not be issued and the fees will not be refunded. I (we) further understand that as an owner of a TASAA recorded dog, I (we) agree to abide by the TASAA Championship Rules and Regulations, Bylaws and Code of Ethics.
